

Seminar Calendar

Spring 2025 (tentative)

Thursdays, 11:00 AM in Sims 105 (except where indicated)

(updated 1/26/2025)

For course credit, attend 6 talks (5-6 in yellow plus 0-1 optional) and submit at least 4 summaries on Blackboard

- For career development events, submit photo or electronic documentation
- Assignments **must be summaries (NOT photos of notes)**
- Summarize in prose or bullet form, with suggested points below:
 - Summarize the talk content
 - In a few sentences, describe something from the talk that was new and/or especially interesting to you
 - Describe something from the talk that is relevant to your career
