

CHEM 125X Final Paper Guidelines

1. The paper must be 8 pages with no more than 2 pages occupied by images or tables. You are encouraged to add more than two pages of images to reinforce your discussions.
2. All images need a thorough caption. If you did not make the image, include a reference in the caption.
3. Appropriate in-text citations must be used. Choose a style that you're comfortable with and stick to it.
4. Please use Arial (11 pt) or Times New Roman (12 pt) font.
5. Line spacing should be set to 1.5 and no more than 1" margins.

Point Distribution
